**THE 4 AND 5 YEAR-OLDS** move about and learn basic musical skills through songs and games. Your child must be in 4K to join Praise Kids.

**THE 1<sup>ST</sup> AND 2<sup>ND</sup> GRADERS** learn musical concepts through a music education model. Children should be able to participate in a classroom setting while having a good time singing.

**Praise Kids** is the perfect opportunity for your child to socialize with their church friends as they learn more about God through songs, movement, and singing games.

**We look forward to working with your child!**
