

## New DVDs in the Library

The church library has recently updated the ever popular media section of the library with a vast array of DVDs for children and adults alike. Among the favorites is the *VeggieTales* section of the children's library which has many of the tales "from the crisper" for children to enjoy.

Newly acquired DVD, *Heroes of the Bible* includes episodes of "The Ballad of Little Joe", "Moe and the Big Exit" and "Baby Sitter in De-Nile". This classic collection offers timeless lessons on following directions, facing hardship and loving your family. Discover the power of a simple joyful gift in the *Saint Nicholas VeggieTales* DVD due out in October.

Not to be forgotten are the DVDs in the family/adult section of the library. *The Visual Bible Gospel of John* offers the bold and powerful story of Jesus as told by his disciple John. The best-loved but least understood of the gospels, John presents a uniquely human portrait of courage and passion encompassing Jesus' entire three-year ministry, the final years of his life.

The DVD, *Walking the Bible* presents one man's epic journey-by foot, jeep, rowboat, and camel--through the greatest stories ever told. From crossing the Red Sea to climbing Mount Sinai to touching the burning bush, bestselling author Bruce Feiler's inspiring odyssey will forever change your view of history's most legendary events.

Come share in the message of our Lord through the means of new technology and drama for the whole family to share.
